DIGEST SHEET

TITLE OF ORDINANCE: SPECIAL

DEPARTMENT REQUESTING ORDINANCE: PURCHASING

S-86-12-17

SYNOPSIS OF ORDINANCE:

An ordinance approving Civil City Purchase Order #A-49567 for the purchase of additional Reflective Sign Faces for the Traffic Engineering Department. Per the specifications in reference #1188.

EFFECT OF PASSAGE:

Sign faces will conform to both State and Federal requirements regarding size, color, shape and message. Standard traffic signs convey a clear understandable message that can be readily interpreted and command respect from the road user. Also this material will withstand the years of various weather conditions.

EFFECT OF NON-PASSAGE:

Non-standardized traffic signs create a state of confusion and indecision by motorists and pedestrians alike. Signs that are not legible or understandable contribute to congestion and delay. Failure to give adequate response time creates potential traffic conflicts.

MONEY INVOLVED (Direct costs, Expenditures, Savings):

U.S. Standard Sign Company #A-49567 $18,435.44

ASSIGNED TO COMMITTE (President):
